Our Covid PROMISE

for your peace of mind

BOOK WITH CONFIDENCE

Booking a holiday lately has often felt a lot like navigating your local supermarket with energetic children in tow - it was difficult to know how things would pan out.

With a new year on the horizon there is fresh hope that all your holiday plans can be realised, although we understand that you want to be prepared for any eventuality.

That's why we've introduced Our Covid Promise; offering complete flexibility on dates, duration and destination when booking your trip, as well as the added benefit of total financial protection - giving you reassuring predictability even in these unpredictable times.

OUR REFUND GUARANTEE

YOU WON'T LOSE A PENNY

Worried about losing money if FCDO advice changes and your holiday doesn't go ahead? Worry no more!

If we can't deliver your trip as planned, you will receive a refund credit note which can be used for an alternative holiday, or you can opt for a full refund.

FREE HOLIDAY AMENDMENTS

MAKE THE SWITCH

We've always been ready to work around you when it comes to your travel plans, and we won't be stopping anytime soon.

We're removing admin fees for any changes up until 7 days before you depart. Also, if there is restrictions on travel in your local area, you will be able to amend right up until you leave!

ONLY €99 DEPOSIT

NEW NORMAL, SAME DEPOSIT

We won't ask any more from you when committing to a holiday than you have done in the past.

€99 per accommodation is enough to secure your place under the sun in 2021 - talk about great value!

FLEXIBLE PAYMENTS

ALL IN GOOD TIME

We don't want to cause any stress around strict payment deadlines, which is why we are reducing our balance due date from 12 weeks to 6 weeks before you set off.

Need to cancel? We've also relaxed our cancellation terms in-line with our new balance due dates should you need them.

UP TO 40% OFF

BEAT THE CROWDS

There's beating the crowds to book your spot in the sun, and then there's saving up to 40% off your holiday - no matter when you want to go.

Great value savings don't get much bigger than this, so book early and mark the dates in the calendar, as well as counting the extra pennies you've kept in the bank!

CAR BONDED

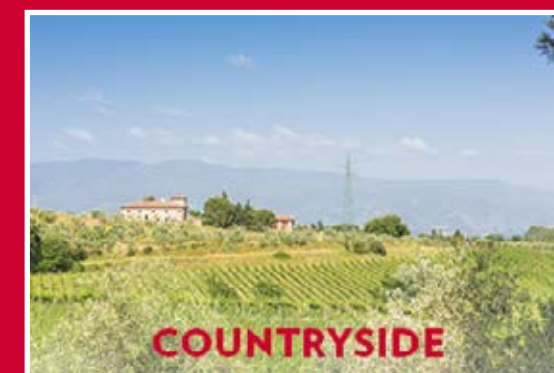

FINANCIAL PROTECTION

Our membership of the Commission for Aviation Regulation in Ireland means your holiday finances are in safe hands.

CAR is a government bonding scheme protecting flights and air holidays, so you are fully covered when booking a flight inclusive holiday with us.

While Dorothy had good reason to utter “There’s no place like home” in the Wizard of Oz, she clearly hadn’t visited any of our park locations. From internationally acclaimed suntraps in the Côte d’Azur, rolling Italian countryside, enticing cityscapes and sleepy villages brimming with local charm, we have parks beside Europe’s most attractive locations waiting to be discovered.

TRAVEL *Experts*

OUR HOLIDAYS ARE ALL ABOUT FREEDOM AND FLEXIBILITY AND THIS EXTENDS TO HOW YOU CHOOSE TO GET TO OUR PARKS.

Whether you want to take the scenic route by car with stops offs along the way, or you want to keep the cries of “Are we there yet?” to a minimum by taking a flight to an airport nearby - read our advice below on how you can travel your way.

PLANES

When you want to spend as much time on park as possible, or it looks a little far on the map for a drive, opting to fly and drive means you can either hire a car at the other end, or simply take a taxi from the airport if you want a week or two off driving.

TRAINS

With high-speed trains one of the most popular ways of getting around France; this is a great option when travelling to the land of fine wine and great cuisine.

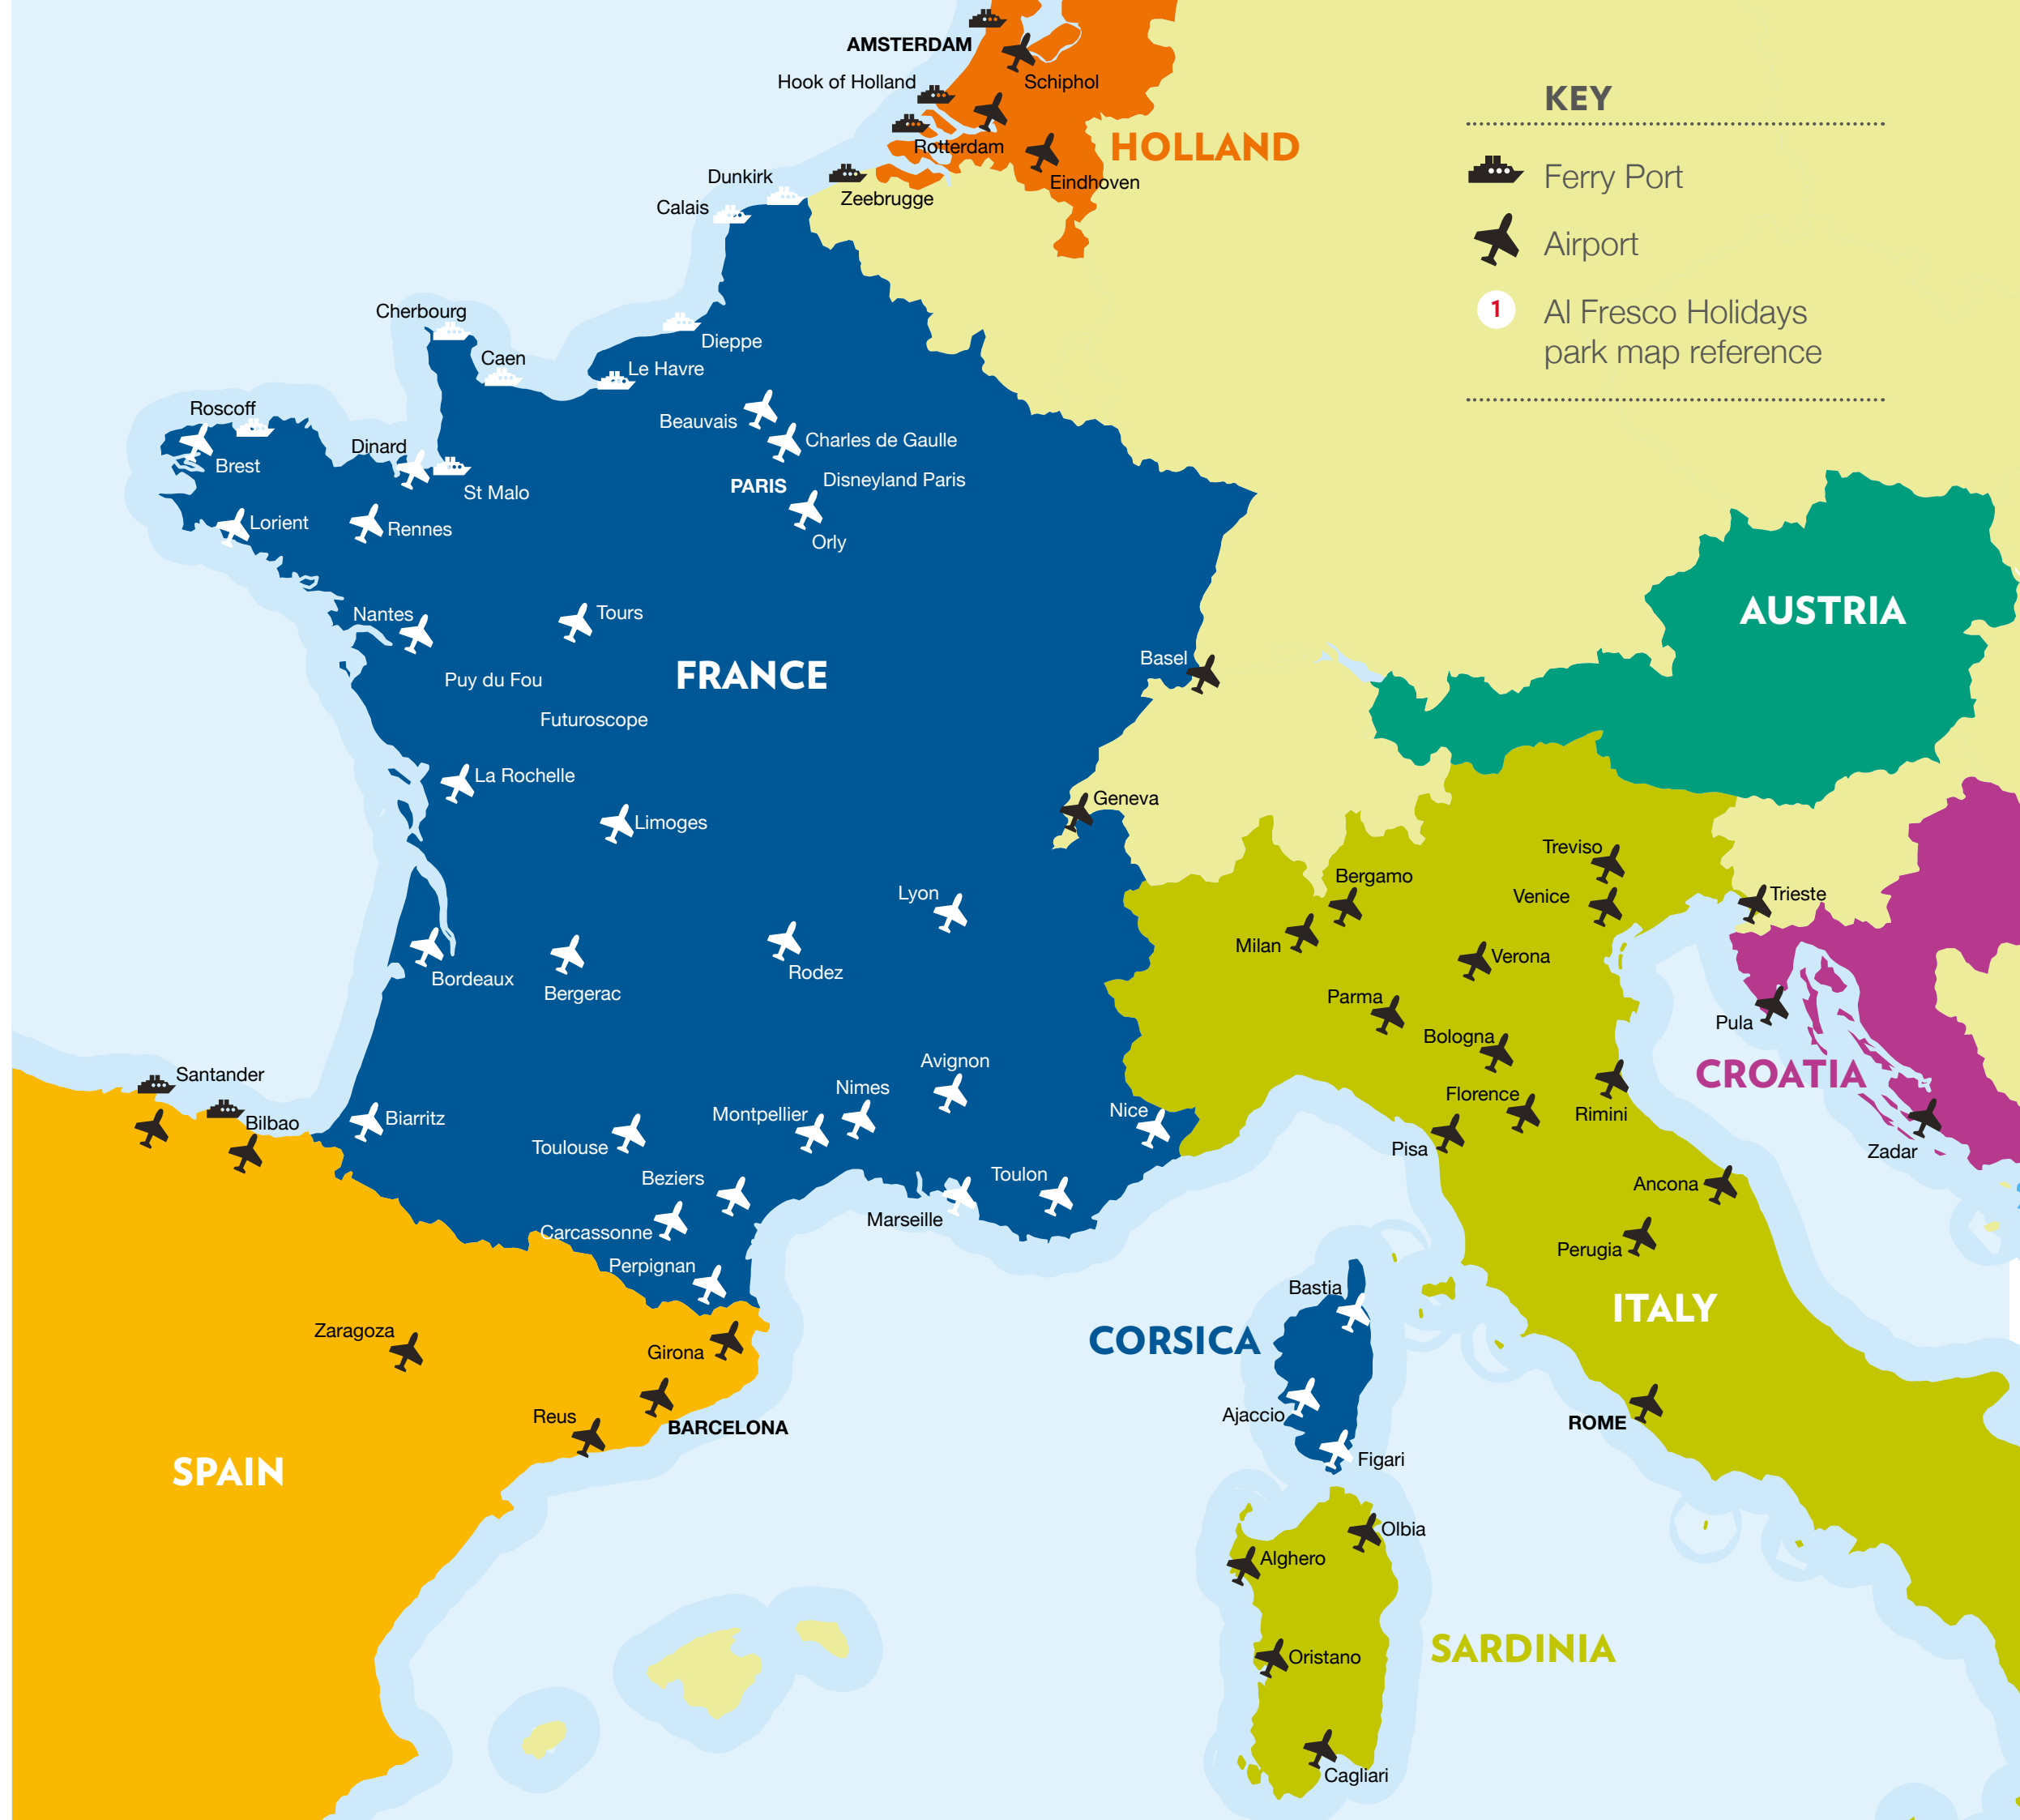

FERRY

It's not often you get chance to travel on holiday by boat, plus, if you have kids, they will likely enjoy the thrill of being on the water. With plenty of crossing options for onward travel when staying on our French or Spanish parks, you can also enjoy overnight accommodation to really add to the overall adventure.

EXPLORE OUR PARKS

With over 60 of our parks located in some of the most picturesque corners of Europe, now comes the fun bit - deciding where to go! A prime spot by the beach or with countryside at every turn, you may already have some idea of where you want to be. By using our interactive map on the right, you can select a park by clicking on their reference number to view them in more detail.
