

AMBER HOURS

AUTUMN BY HAND PICKED

They arrive quietly. The hours of last light settling across the grounds in shades of gold and copper. When lamps begin to glow against the gathering dusk. When firelight catches the glass in your hand and mirrors the colour of the leaves beyond the window.

Across our country houses and coastal retreats, autumn is shaped by these moments. A walk through woodland as the afternoon begins to soften. Or alongside the sea as it takes on a deeper blue beneath an empty horizon. Returning to a table set for dinner. A fire already lit. A glass of Champagne raised to the season.

Amber Hours Hotel Offer

For a limited time, experience Autumn by Hand Picked with a seasonal Champagne High Tea, a complimentary room upgrade, and for stays of two nights or more, a specially created autumn dining experience inspired by the flavours of the season.
